

8 selectable increments
 = no. of stops around:

20 degrees = 18 stops
 24 degrees = 15 stops
 30 degrees = 12 stops
 36 degrees = 10 stops
 45 degrees = 8 stops
 60 degrees = 6 stops
 90 degrees = 4 stops
 120 degrees = 3 stops

note: this is a newer R-D8
 with different detents options
 than the older one shown in image.
